

OptiSorb®

100% DIATOMACEOUS EARTH

OptiSorb® Premium Oil Absorbent is an all-purpose absorbent designed for the quick clean up of water, oil, and grease. Made from diatomaceous earth, a naturally occurring mineral with superior absorption ability, this high quality product delivers **50% more absorbency** per pound than clay alternatives. OptiSorb® Premium Oil Absorbent works equally well on concrete driveways and garage floors, quickly and easily soaking up messy spills that can cause accidents.

BENEFITS:

- ★ Quickly and easily soaks up messy spills
- ★ Provides more absorption for the money
- ★ Cleans up spills that can cause accidents
- ★ For use in work or home environments
