

CYCLONE “RED” WASH & DEGREASER

Heavy Duty Cleaner & Degreaser

Whether it's a dirty truck with three weeks of road film or an oily greasy floor, this versatile heavy duty cleaner removes tough soils without affecting painted surfaces. It is a highly concentrated liquid that produces foam ideal for friction or touchless truck washes. It is also great for mop and bucket cleaning applications.

Target Applications:

- Road film, grease, oil, dirt, mud
- Trucks, buses, trailers, road equipment, railroad cars and locomotives, concrete floors and walls.
- Pressure washes, touchless washes, brush-on applications and mopping.

Use directions:

- Use 2 to 3 ounces per gallon of water.
- Meter, spray, brush or foam onto vehicle.
- Agitate if needed.
- Thoroughly rinse with water.

Key Features = Key Benefits

Special wetting agents	=	Improved soil penetration
Heavy duty product	=	Removes tough soils
Non-solvent	=	Clean air
Water conditioners	=	Improves rinsing
Biodegradable	=	Environmentally friendly
Suspension agents	=	Anti-redispersion of soil
Emulsifiers	=	Grease releases from surface
Moderate foam	=	Improved surface cling

Product Specifications

pH undiluted	=	12.5 – 13.0
pH (3% solution)	=	11.5 – 11.9
Appearance	=	Red liquid
Odor	=	Slight
Pounds per gallon	=	8.75 – 8.80
VOC%	=	0.00%
Flash point	=	Greater than 200°F
Phosphate (as P)	=	0.00%
Biodegradable	=	Yes

Note: Protective gloves and glasses must be worn.
