

DIESEL EXHAUST FLUID  
**tersus**

**DEF**<sup>TM</sup>

Pricing 9/23/16

**PIUSI**  
USA INC<sup>®</sup>

The new Piusi DEF Rotary Hand pump is the first hand pump to be specifically designed for use with DEF! It incorporates a check valve and spring-loaded vanes to always maintain prime, while also eliminating a siphon effect. This hand pump can be securely orientated in any position, and is designed to eliminate oscillation while in use. This along with a stainless steel body multiplies its longevity!
